Films & Functional Polymers

- Packaging films were struggling due to larger than expected increases in raw materials and fuel prices.
- For the Industrial films business, sales of "COSMOSHINE SRF" and mold releasing films for ceramic capacitors expanded.
- Expanded sales of functional polymers both domestically and overseas.

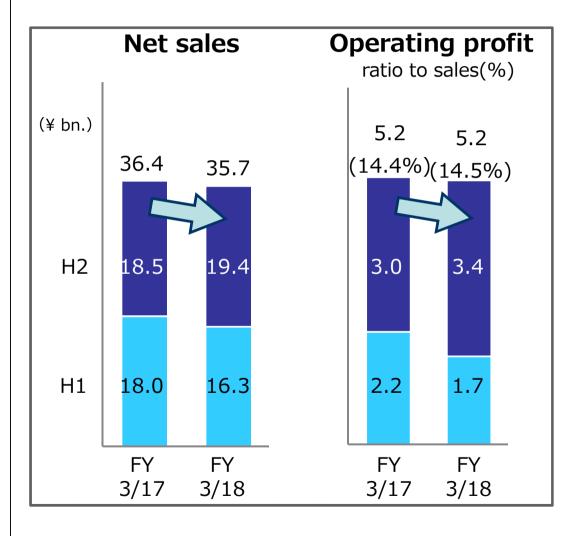

Industrial Materials

- Started full-scale production of airbag fabrics at overseas locations.
- Sales recovered for PPS materials for filter bag.

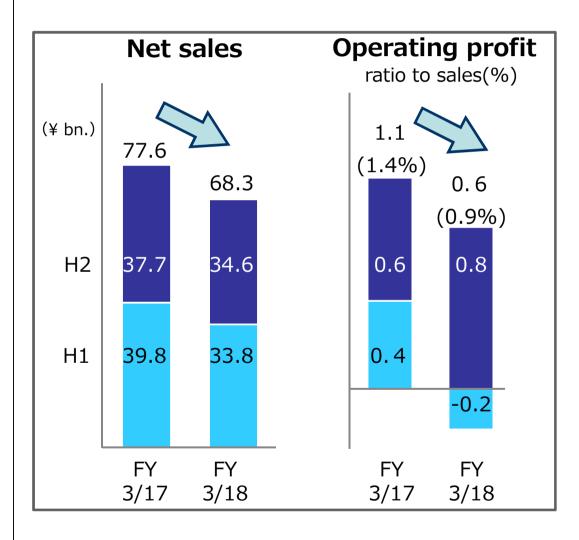

Healthcare

- Further expanded sales of enzymes for diagnostic reagents and reagents for life sciences overseas.
- Affected by processing of expenses for GMP contract manufacturing business of pharmaceuticals.

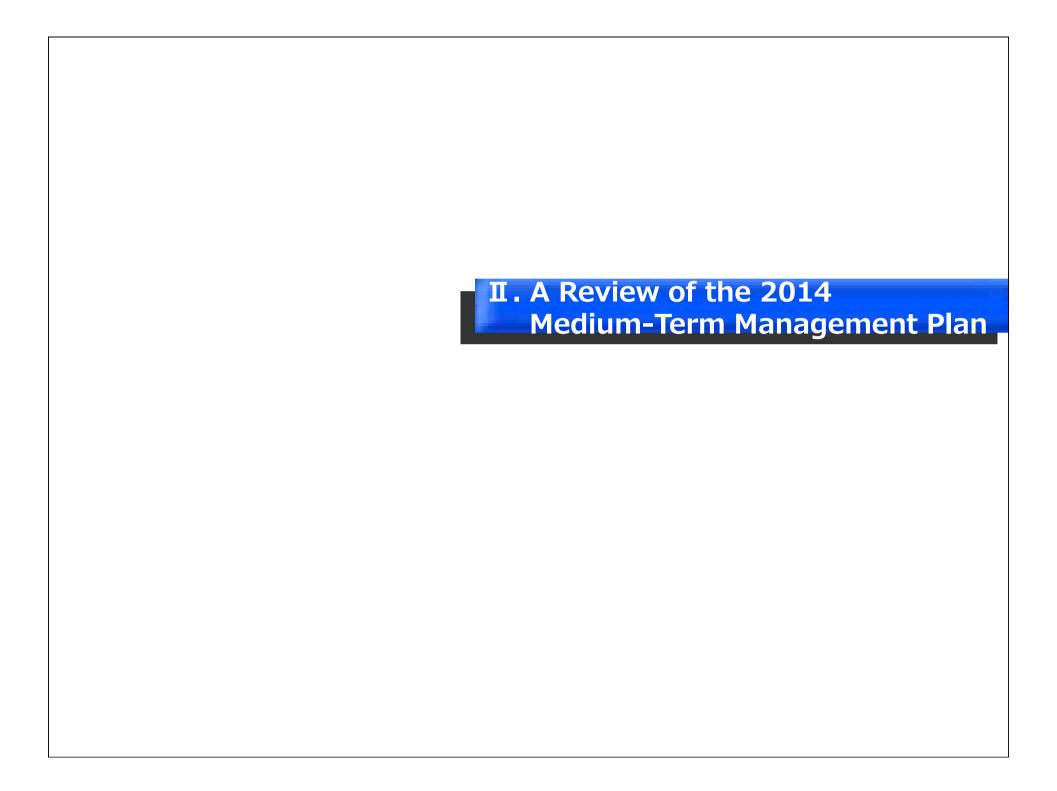

Textiles and Trading

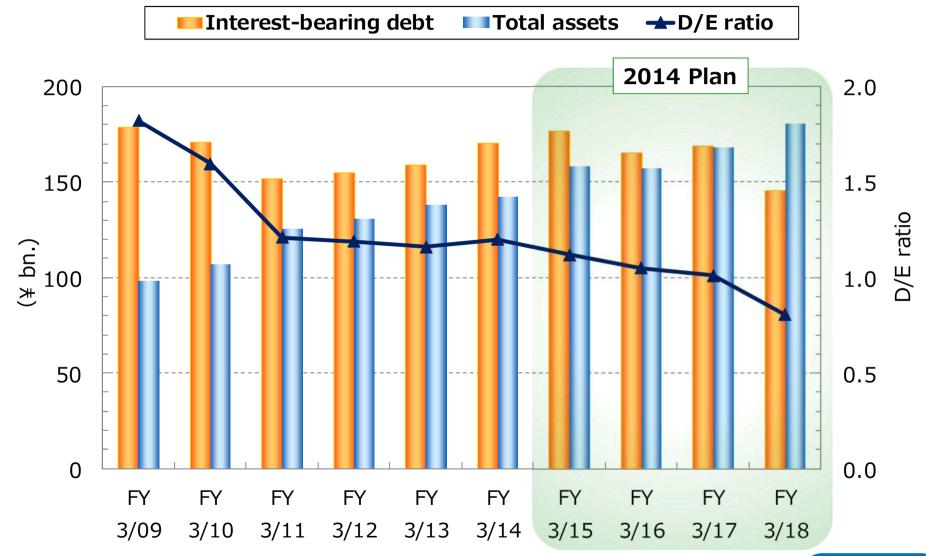

- Sales of thoub cloth in the Middle East were weak due to worsening market conditions.
- Sales of sports garments affected by disposition of inventory.
