

「Participating in Singapore International Water Week 2014」

We will participate in the "Singapore International Water Week 2014" to be held from June 2nd to June 4th, 2014 at Japan Pavilion in Sands Expo & Convention Center (Marina Bay Sands) in Singapore.

In this Exhibition, we will show our newly-developed large-sized hollow fiber Forward Osmosis (FO) membrane element, proven hollow fiber reverse osmosis (RO) membrane module which has been used for sea water desalination around the world and hollow fiber ultrafiltration (UF) membrane module for municipal water supply. We would like to welcome you and hope you to drop in at the booth of Toyobo in the case of attendance.

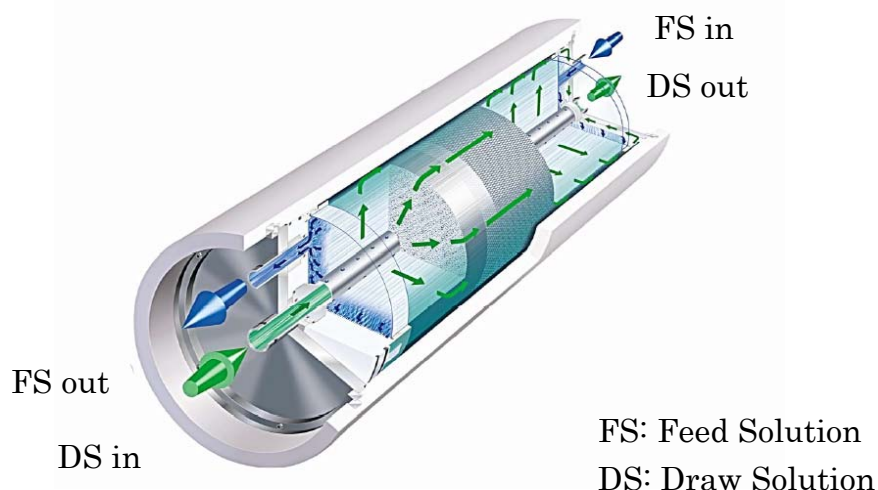

Date : June 2nd – June 4th ,2014

Location : Sands Expo & Convention Center (Marina Bay Sands)

Booth No. : #B2-F05

Exhibits :

- Hollow fiber RO membrane module <Panel>
- Large-sized hollow fiber FO membrane element (Prototype)
- Hollow fiber UF membrane module <Panel>
